CHERYL RAAB

Cheryl -  
 Well I guess that  
 the crash kind of scared  
 the me out of both of us.  
 It's been fun being your  
 friend & I hope that we  
 can be friends for a long  
 time! Remember Sam?  
 Just because you're a fox  
 doesn't mean you have to  
 think you're too good for  
 Morgan to like you. I  
 mean Cheryl, he really  
 digs your bod! Maybe he  
 will give some of his  
 nickles to you! Be nice  
 & fun forever.

This year's dedicatee was selected by the Cavalcade staff for his sincere effort to meet the total educational needs of Clovis youth.

Born in Bridgeport, Connecticut, the dedicatee became a Californian when he moved to Anaheim with his mother, Amy, and two older sisters. While he attended Daly Elementary School, his mother started a sewing business with which she was able to finance the education of her three children through Anaheim High School and college.

At Orange Coast Junior College, he won Little All-American honors as an offensive lineman. Later at Fresno State College he played on the Mercy Bowl Team that defeated Bowling Green in the Los Angeles Coliseum in 1961.

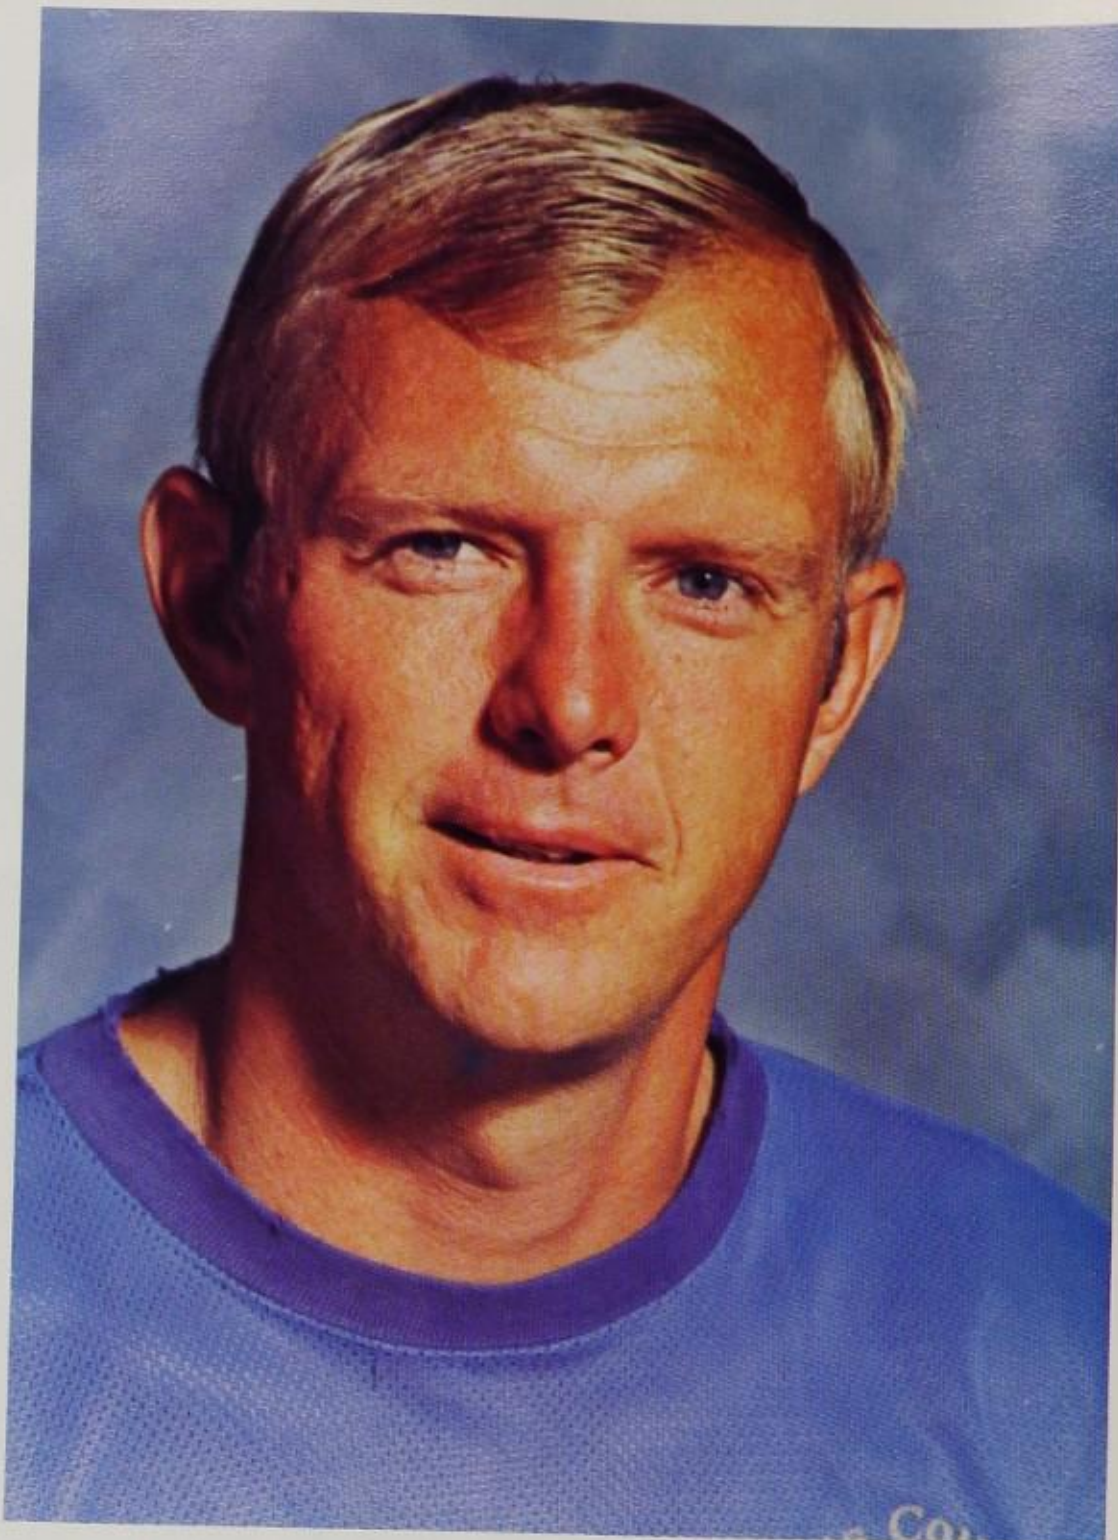

He began his coaching career at Pacifica High School. From there he moved to San Clemente High School where in addition to his coaching he took particular interest in students who came from broken homes or who had become involved with narcotics.

Coming to Clovis High in 1970 he helped coach the Cougars to their first NYL and Valley Championship; our dedicatee also found time to provide individual attention to athletes and other students. He is a member of the Northwest Baptist Church and an active supporter of the Fellowship of Christian Athletes here at Clovis.

A man who enjoys such varied hobbies as camping, horseback riding, and oil painting, our dedicatee is also a busy family man. With wife Carolyn and three children: Chris, 8, Wendy, 6, and Katie, 3, they enjoy the "Clovis Way of Life" on their ranch northeast of Clovis.

Our dedicatee is a coach who has combined the lessons of his own athletic experiences with the winning philosophy of legendary Green Bay Packer Coach Vince Lombardi, and then tempered it with a degree of spirituality that provides for all the students with whom he comes in contact. For this, we honor Coach Jack Bohan.

# STADIUM NAMED FOR LAMONICA

Approximately 500 people attended a formal dedication ceremony on May 23, 1974 for the accepting of the new football stadium and for its naming. In addition to school board members and district administrators in attendance was honored guest Daryl Lamonica, his wife and parents.

The stadium was dedicated to the physical growth of Clovis area youth and was named "Lamonica Stadium" in honor of the famous Cougar quarterback who went on to stardom at Notre Dame and then with the Oakland Raiders.

# STUDENT GOVERNMENT

Further involvement in student government was achieved this year by the establishment of the House of Representatives. A representative was chosen from each second and eighth period. During teacher/counselor periods, they met and presented, discussed, carried back to their classes all kinds of school issues. Kevin Cox was elected the Speaker of the House.

This system seems to add a dimension to student government that was previously needed.

# HOUSE OF REPRESENTATIVES

This year a new organization-House of Representatives-was started. It was necessary for a means of communication between students and administration.

Every other Wednesday they meet and discuss controversial issues of the school and what can be done to improve situations.

The House of Representatives members are selected by fellow students to represent them from each second period class. In this way the ideas and necessary needs of students can be brought into the open and discussed against those of the administration.

Polls are taken to find the major opinion of the students and then brought to the administration for final decision.

House of Representatives has proven successful and will continue to bring students and the administration together.

Mr. Coiner and Charity Laslo work together during a House of Representatives meeting.

# PEP GIRLS

ADVISOR: Sue Fugman

We definitely have one of the most active pep groups Clovis has ever had. With a busy football season, the girls were kept active decorating, blowing up balloons, making goodies, yelling their heads off at games, and anything each could do to help promote a N.Y.L. Championship in Water Polo and N.Y.L. and Valley Championship-in football. The girls certainly deserve credit for their part in these winning programs. The girls have been so busy this fall supporting athletics they haven't been able to participate in pep competitions in the area.

But, I feel certain if a trophy was given to the N.Y.L. pep group that supported their team the best, Clovis would again be Number 1.

1st row, Bobin Gustafson, Cathy Thiebaud, Denise Zinnel. 2nd row, LeAnn Cox, Patty Beasley, Cindy Kayser, Patti Donleavy. 3rd row, LaNette Nelson.

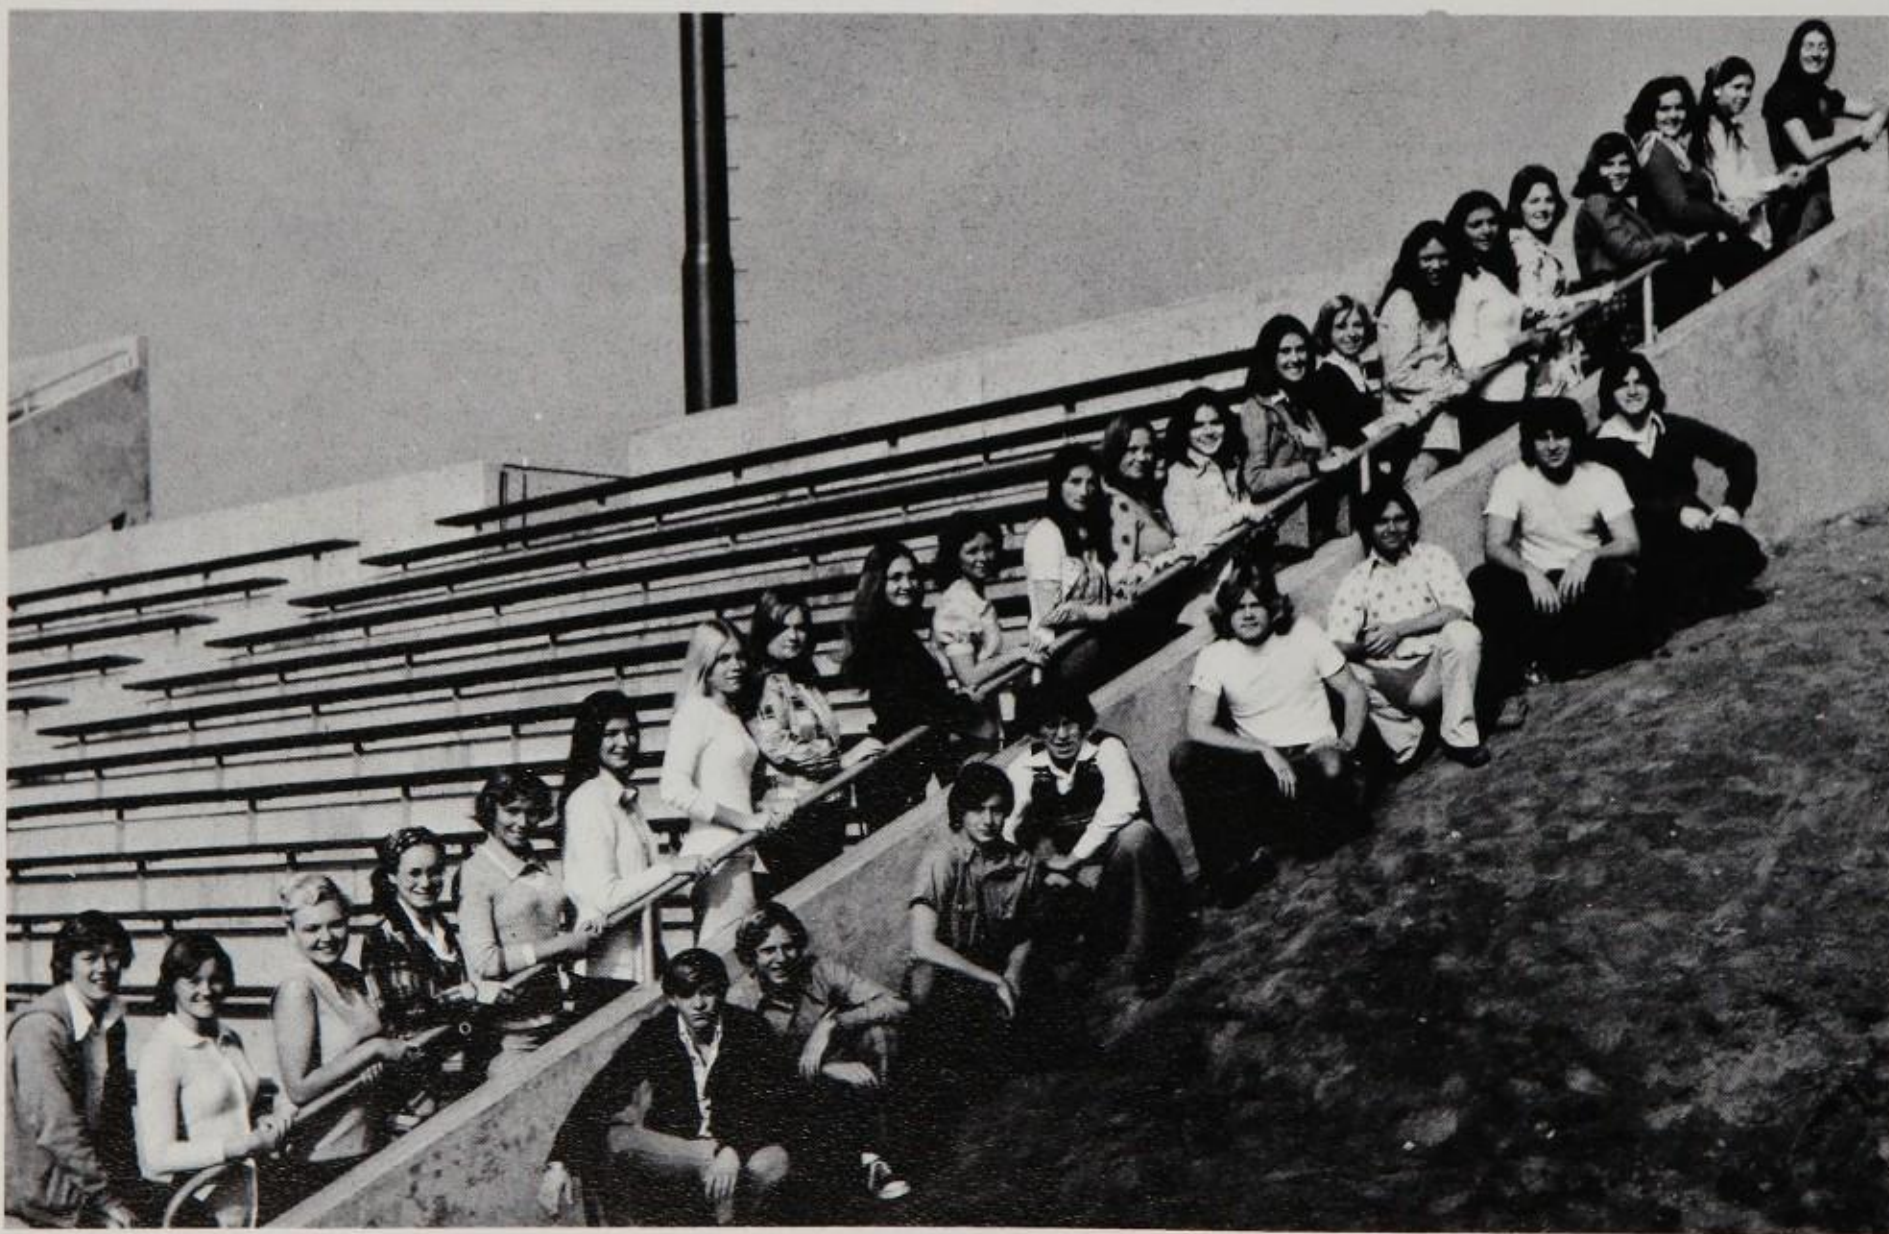

# GROWL STAFF

Under the leadership of senior Debbie Decker the 1974-75 Growl Staff put out 16 school papers. With over 30 students on the staff, the Growl was issued bi-monthly, with two separate managing staffs. Each staff was headed by an assistant editor, Vicki Michaelis or Connie Stevenson.

Miss Decker and the advisor, along with the Growl staff felt that they could give better representation of school activities, and give more up-to-date news and features by coming out twice a month instead of just monthly as in the past.

The staff this spring traveled to the San Francisco Press Club Junior Awards Luncheon, where they participated in mail-in competition and writing seminars. The trip was also a field trip of sightseeing for the staff.

The staff also makes a yearly spring visit to California State University, Fresno for the San Joaquin Valley Scholastic Press Association journalism competition and awards luncheon.

"These girls volunteer their services and receive no class credit," stated Mrs. Alberta Downing, Mr. Mehas' secretary. Among the activities they have planned for the Christmas Holidays are Christmas caroling and visiting the Clovis Memorial Hospital.

Acting as guides to visitors at Clovis High School, Directing people at athletic events, and generally helping principal Pete Mehas are a group of girls called the Principal's Hostess'.

# SCHOOL ADMINISTRATION

Principal: Peter Mehas

This school year and the class of 1975 will long be remembered in the history of Clovis High School. Never have more groups and individuals achieved so much, obtained such a high degree of excellence in such a multitude of areas. Whether it was winning Valley and League championships in athletics, playing to a sell-out crowd for the school musical Gypsy or having the Golden Courgar Marching Band perform for the President of the United States, Clovis students were where it was happening.

In the six years I have been principal of Clovis High, truly this has been one of the most rewarding. The faculty, administration, staff, student body, and the Clovis community have all worked together toward making this a year to remember.

# CLUSTER FOUR LEARNS TO DO

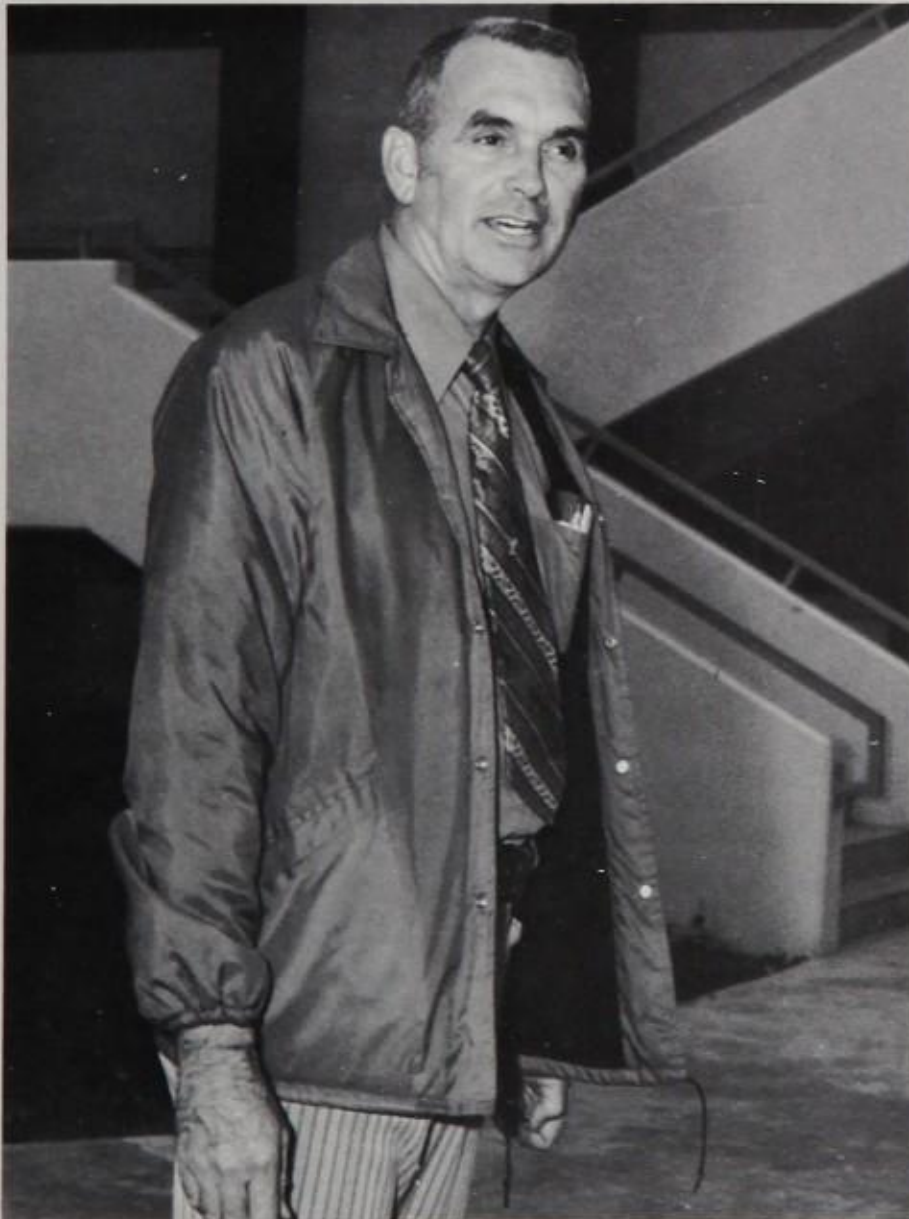

Jim Swanson-Learning Director

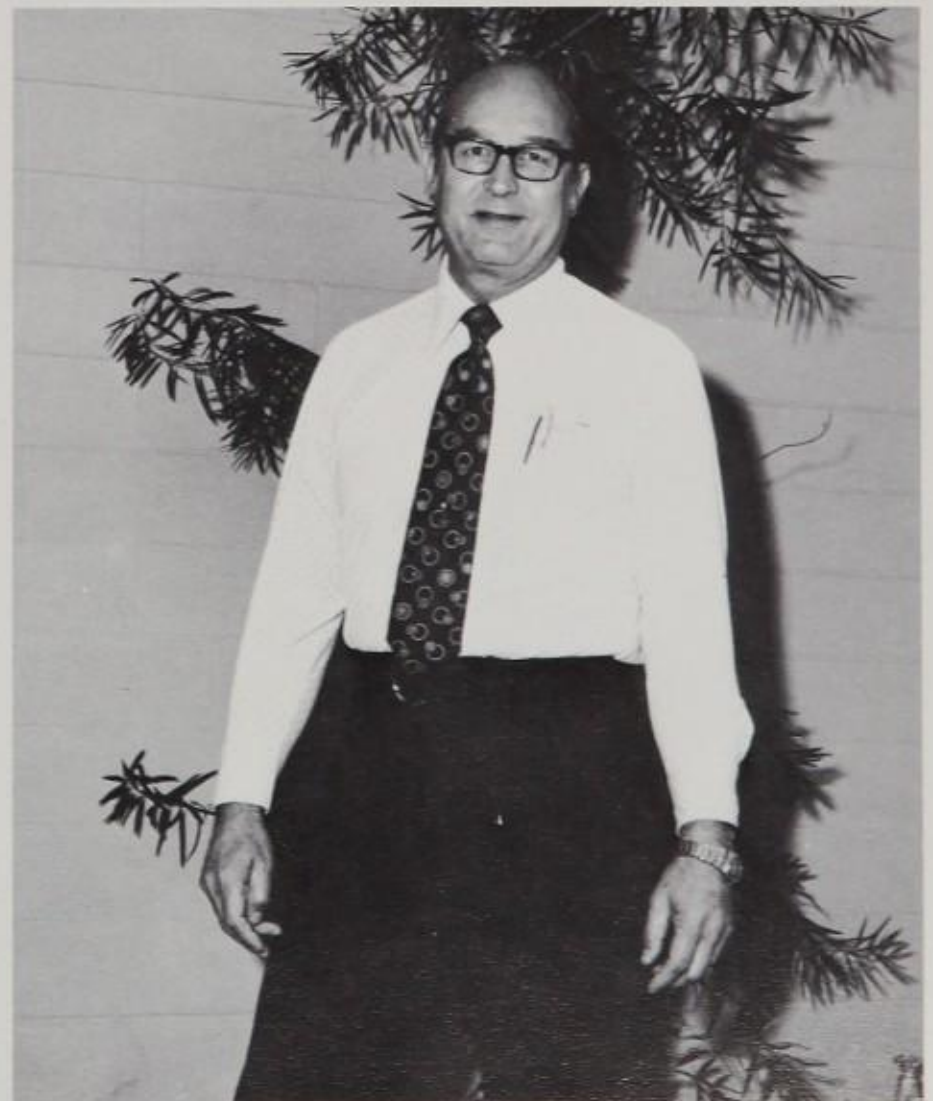

"Learning to do" summarizes the basic goal of the vocational departments of Clovis High School. The many programs offered have two things in common: first, a recognition of the fact that all students become producers and consumers of goods and services; and second, a belief that all students should possess a marketable skill when they leave school. New opportunities have opened up in work experience education, the Building Trades, and Ornamental Horticulture during the past year. All students, whether planning to attend college or not, can profit personally and vocationally from the extensive course offerings in Agriculture, Business, Home Economics and Industrial Education.

# COUGARS CAPTURE NYL,

## Highlights

The 1974 Clovis High School Fighting Cougar football team earned NYL and Valley Championship titles with an 11-1 record.

The Cougars started very strong with a strong win over Sanger in the first game ever played in the new Lamonica Stadium. That established a precedence that was followed all year, because they never lost at home. Clovis went on to win seven in a row and was rated number one in the valley.

In the Edison game the Cougars suffered their only defeat 6-0. "The team just wasn't up for the game," said Coach Fugman; "They just out played us." After that let down, the Cougars could do no wrong.

After blanking Bullard 38-0, Clovis was ready for the BIG game. Both Fresno and Clovis WANTED this one because the championship was at stake. But we wanted it MORE! As 9500 watched, the Cougars methodically wore down the Warriors and then exploded for the championship in the second half, 34-13.

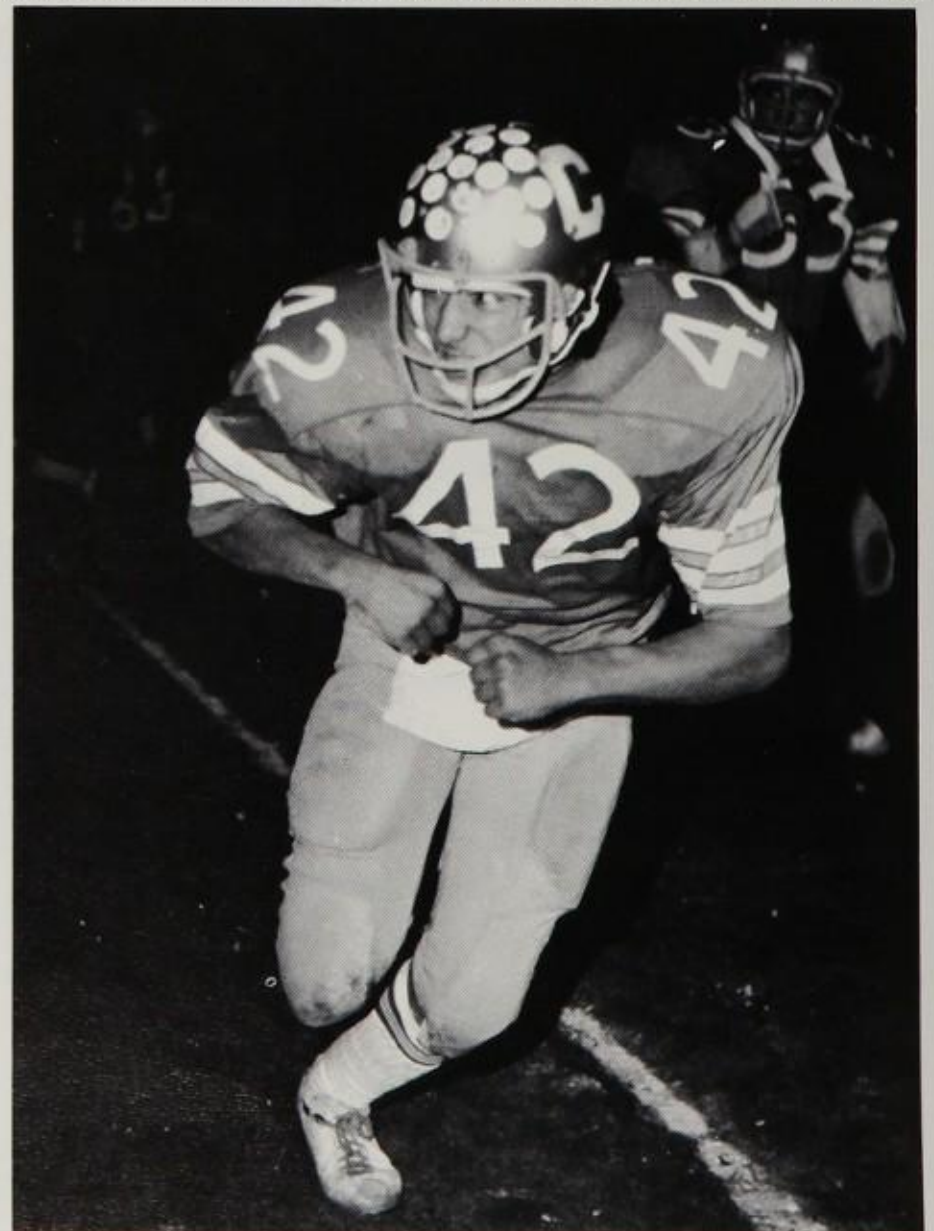

After a tough, tough battle with big Foothill where the Cougars won by a 9-6 score, the way was clear for the valley finals. There the game was almost anticlimactic as the team whopped Delano 39-6.

## J.V.'s Tie With Madera

The 1974 Junior Varsity football team concluded its season with a 6-3-1 record to tie with Madera for the NYL championship.

With two early preseason losses to Sanger and West High Schools, the Cubs looked like they were in for a "long" season. However, the team rallied under the leadership of Coach Haro and his two assistants Dick Ramage and Joe Gutilla. They won their last five games in a row in very impressive fashion. Overall the team out scored its opponents 154 to 64 and in the last five games they out scored the other teams 106-12.

Individual honors went to team captains Al Haro and Jeff Papendorf. Best offensive players were Nick Mongelli and Mark Langford. Best defensive player went to Rick Church. The Most Valuable Player award was earned by Greg Inouye.

# CROSS COUNTRY

This year, the Clovis High Cross Country team had big hopes for a very successful season. Losing only one varsity runner from last year's team it looked like it would be a great year although they would have very tough contests against perennial powers Madera and Hoover.

In league competition the Harriers compiled a 5-2 record losing only to Madera and Hoover.

Through some bad misfortunes, the Clovis team was not able to run to its full ability in either the League meet or the Area Divisional meet.

At the four invitational meets competed in this year, there were fine performances turned in by the Clovis runners. At the Madera Invitational Rusty Pishione ran superbly to finish in the top 10 out of 100 plus runners.

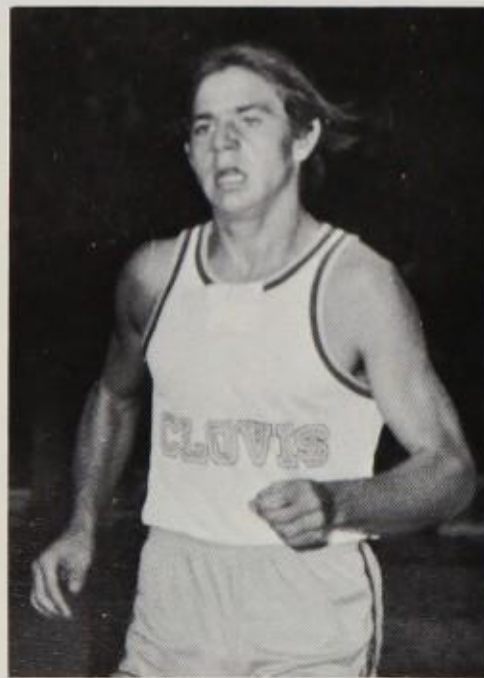

At the Kern Invitational Mike Alfaro rose to the occasion and ended up in Clovis' top position with a time of 15:45 for 3 miles.

Javier Garcia showed guts and determination turning in fine performances at the close of the season.

# SHOWS SUCCESS

It seems that Clovis High is in the Habit of producing championship Frosh-Soph cross-country teams. This year was no different for the Cougar harriers winning many titles at Invitational meets.

Led by team captain Jeff Brenner and freshmen phenom Kevin Stork, Clovis scored major wins against all league schools

highlighted by an exciting grudge match against Madera. Bitter misfortune caused the cougars to end up a dismal third in the League.

Suck up performances by Robert Guy, Dennis Ainsworth and Will Pierrou helped in many Clovis victories.

## Girls

Led by team captain Randie Hill and outstanding frosh runner Sandy McPherson the 1974 Girl's Cross Country Team did very well in league competition and capped off the season by taking second in the Valley.

Under the coaching of Marlene Regan and Jeannine Mitchell the gymnasts eased through the season with a 5-0, win-loss record. The girls not only had stiff competition from other schools but also among themselves. Perhaps this extra competitive spirit helped spark the tumblers to their championships. The Clovis High School Varsity Basketball team progressed through the season into a very competitive unit. The league record of 3 - 19 is not really indicative of the progress that was made. After a very mediocre first round of league play, the Cougars battled back against every team in the tough North Yosemite League. There will be three starters returning from this year's squad, plus a fine crop of Junior Varsity players. The future looks bright for Clovis Basketball.

For the second consecutive year, the Cougar Wrestling team won the state meet.

This year the team went into the state meets strong favorites: undefeated in seven previous tournaments and twelve dual meets. There were eight men qualified for the state meet: Paul Bolanos, Tom Blanco, Nick Borjas, Tom Williams, Steve O'Bar, Kevin Cookingham, Ed Johnson, and Doug Arthur.

The meet seemed a near disaster on the first day when only four men won matches. However, in the second day the individual members "team" wrestled and won 14 out of 17 consolation titles to capture the state team title. Third places were taken by Bolanos, Blanco, and Johnson with Arthur capturing fourth.

On their way to the state meet, the Cougar wrestlers impressively won the North Yosemite League Divisional for the third year, and the Valley title for the third year in a row. League Champions were Paul Bolanos, Tom Blanco, Nick Borjas for the third year in a row, Jeff Jury, Bob Grimes, Kevin Cookingham, Ed Johnson for the third year in a row and Doug Arthur. Divisional Champions were Bolanos, Borjas, Williams, Grimes, Cookingham, and Johnson. Taking Valley honors were: Bolanos, Cookingham for the second year, and Ed Johnson. "This was the best team Clovis has ever had. We had no weak weights. Congratulations to the boys for their fine efforts, exertions and outstanding records," said Coach Dennis DeLiddo.

# SENIORS RULE OVER ALL

This year's Senior Class, lead by president Michelle DiBuduo and the rest of the officers, has shown itself to be truly a "Class of Champions." From athletics to dramatics, seniors have played an important role in the life of Clovis High. Along with being a class that can work together on such projects as drawings ("Night on the Town" & Valentine Puppy), or starting a tradition of a Farewell dance, it is a class with an emphasis placed on individuality. This is emphasized in the themes for both Baccalaureate- Jonathon Livingston Seagull, and Graduation-"Climb till your dream comes true".

# JUDY SETZ: A.F.S. STUDENT

Clovis High School's American Field Service exchange student this year was Miss Judy Setz, a 17 year old Swiss.

Judy lived with the Mr. & Mrs. Dennis L. Cousins family of Clovis, and attended school with her host family sister Margaret Cousins. She was enrolled in a strong college preparatory course taking Chemistry, Physics, Trigonometry, and College Prep English. In her spare time she sang in A Cappella and spoke as a guest at numerous service club luncheons.

Judy listed her most memorable moment in her stay as viewing the Navaho Indians and the Grand Canyon.

In explaining her year here she said, "I enjoyed seeing how people in other countries live and do things, and having the opportunity to spend a year abroad."

Cheryl -  
I decided to sign here -  
hope you don't mind.

Sorry about the hassle  
I caused with you getting  
this I really owe you an  
apology.

This year's been a lot of  
fun. We've had some  
real good times ... but,  
just think next year will  
be 100 times better (the  
fact that we'll be driving  
a Jag & a Trans Am might  
have a little to do with  
it)

We've really done a lot  
of crazy things and I  
want to thank you for  
sharing your friend-  
ship with me. Although  
I don't always show it  
it means a lot to me!

Love  
Julie

Staff.

There is so much to be said to you so this letter will be very informal, but will say everything I want you to know.

This year has been good. I've met many people and have experienced many different things from our 2nd period. We all made mistakes doodling around when we should have been working. We made up the lost time coming to school on Saturdays. But man they were great!

I give special thanks to Russ Pickett, Sara Botto, Valerie Uvicich, and Jmac. Three of the four mentioned are graduating so it's to them I give thanks. You are all an experience. So fun and so crazy. I feel close to all of you.

Jmac is the person I owe "muchismo" to. Although I felt you shot down every one of my ideas at the beginning, I see now that they were childish and so was I. Thanks for letting me see that. I'm proud of the book and of the things I've learned from you.

To the rest of you, I really say and give my thanks. Maybe you did lots, maybe you did nothing. Big deal. It doesn't matter. I felt close to my staff and I'm glad, really glad I got to know all of you.

I hope each of you will look back on this year and have good memories about it as I will.

Donna.

July.  
to a really  
nice & cute girl. I  
we really had fun  
in tennis, good luck  
next year, & I hope  
we have some classes  
together.

- Cheryl.  
Despite the fact  
that we're both so  
good looking and we  
both got sexy and  
we're both such good  
looking people. It's been a  
pretty rotten year.

Hope next year  
better
